Year 11 Prom Photography

New Horizons Photography will be photographing your Prom on 25 June.

- Weather permitting, we will try to photograph you in or beside your “chariots” on arrival.
- We will start with a white (high key) set and then change to a darker (low key) set part way through the evening.
- Those of you wanting shots against the bright white background, please make sure you get those photographs done early.
- We will happily take groups, couples, mates etc, but we also like to take [individual portraits](#). The reason is that parents often want an individual portrait for themselves or granny.
- We are happy to take “daft/fun” portraits as well if you want these, but will also do a proper portrait as well.
- There will be props available for fun shots.
- We can fit bigger groups on the dark background as we can get you further back on that background (because we don’t need to light the dark background).
- Prom portraits will be available to view and purchase on the night. These are £7 for a large 8x6” portrait in a mount. You will be able to view your photos on a laptop screen.
- Portraits will also be on our website a few days after the Prom and can be ordered from there. They cost a little more online as we need to set up the Printer for each order, plus pack and ship them - so cheaper to buy on the night.
- Different sizes and other photo products are also available online, for example canvasses, acrylics, desk frames. Parents often order portraits after the event.
- To find your photos go to www.newhorizonsphotography.co.uk - “View Your Photos” - “Proms & Events” - Folder “Notre Dame Year 11 Prom 2019”
- On the night payments can be made by cash or card.
- Any questions Contact us via the website Contact Page / 01673 565604 / 07888 207532
