Dear Parents/Carers,

I hope you are well at this time and keeping safe. I know that it has been a very tough year and I know everyone has been working hard and doing their best with everything that has been going on and home schooling.

The reason for me writing to you is because I wanted to gain your views on SEND developments within the school over the past year. When I arrived on year ago, I was asked to begin work on shaping the department and went of the last Ofsted report and other reviews that have taken place prior to my arrival.

What we have done so far with SEND at Notre Dame Catholic College is only the beginning and and it is part of a longer-term project to develop it throughout the school, but your reflection and thoughts would be greatly appreciated and will shape where we go next with its progression and development.

You are vital in your child's development and you are essential members of our community and I value your time and input into this.

I am also seeking the views of your child in a very similar way and encourage you to get them to fill it in as well. If you click on this links below then it will take you to a questionnaire that should take between 5 and 10 minutes to complete and I would really appreciate your responses and time in doing this.
